A.4 Acronyms

Abbreviation	Phrase or Word
HEP	Higher Education Programs
WNF	Withdraw Not Fail

B.1 Principles

Eynesbury College believes that there is a correlation between attendance and success in academic study and is committed to maximising attendance in classes through the systematic recording and monitoring of attendance levels. High attendance levels are needed to develop a strong sense of community within a classroom and to foster a high level of class participation which is pivotal to the concept of student-centred learning.

B.2 Policy

1 Monitoring student progress

1.1 In accordance with Standard 11 of the National Code, Eynesbury College will implement the Department of Education - Immigration approved course progress policy and procedures. Under this legislation Eynesbury College is not legally required to monitor student attendance.

2 Attendance requirements

- **2.1** Subject to the principles of this Policy, Eynesbury College will record student attendance and set minimum attendance requirements prior to intervention in order for students to successfully complete a module of study.
- **2.2** Half absences refer to instances where students are marked as partially absent for a class. A half absence is counted as missing 50% of the lesson, regardless of the actual student participation time for that class.
- **2.3** Consistent judgement must be demonstrated by the teacher when recording half absences. This must be explained to students at the start of the study period as part of the classroom expectations in accordance with Section 3 of the Student Code of Conduct. For example, a one-off occurrence of a student for being late due to circumstances beyond their control may be given full attendance. However, a student that is consistently late, may be given a half attendance due to breaching expected student behaviour.
- **2.4** Half absences that are deemed to be inconsistent with proper classroom management may be overridden by a member of the Academic Directorate.
- **2.5** Half absences may be granted under the following circumstances (these are representative examples and are not an exhaustive list):
 - Consistent student lateness (with no compassionate or compelling reason) despite being given warnings
 - Personal commitments that are unable to be scheduled outside of class times (e.g. medical appointment) resulting in part of a class being missed
 - Participation in College activities, such as Transition to University

3 Failure to meet attendance requirements

3.1 Students whose attendance in a study period across all enrolled modules falls below the following thresholds will be contacted:

- Below 95%: Letter 1 Attendance warning and assistance offered
- Below 85%: Letter 2 Appointment(s) with Student Counsellor (required) and member of the Academic Directorate (recommended)
- Below 75%: Letter 3 Potential Withdraw Not Fail (WNF) or F2 grades(s) applied (see Section 3.2)
- **3.2** Students who are sent Letter 3 may be precluded from further assessment and have a grade of WNF or F2 recorded in any of their modules (at the discretion of a member of the Academic Directorate, based on the degree of lack of engagement) unless there is documented evidence of compassionate and compelling circumstances.
- **3.3** Eynesbury College will only accept original medical certificates signed by registered medical practitioners, health practitioners or approved health specialists. Back-dated medical certificates will not be accepted except at the discretion of the Academic Director.

SECTION C - GOVERNANCE

C.1 Responsibility

Identification	HEP Student Attendance Policy	
Policy Owner	Academic Director	
Approving Authority	Eynesbury College Academic Board	
Initial Issue date	December 2009	
Directory Location	Policies, Eynesbury, Academic Directorate	

C.2 Version Control
