## **SECTION A - INTRODUCTION**

## A.1 Purpose

This policy covers the Recognition of Prior Learning (RPL) granted by Eynesbury College and provides the framework that leads to the formal recognition of an applicant's knowledge, skills and competence achieved through prior education, training and for work experience and the granting of Credit Transfer in Higher Education Programs.

## A.2 Scope

This policy applies to all students of Eynesbury College enrolled in Higher Education Programs (HEP).

## A.3 Definitions

## **SECTION B - POLICY STATEMENT**

## **B.1** Principles

This policy is based on the principle of recognising knowledge and skills that students already have which meet the learning outcomes of Eynesbury College Higher Education programs (HEP).

#### **B.2** Policy

#### 1 Introduction

- **1.1** A maximum of 50% of credit (four out of eight modules) will be granted for each stage in a program, subject to approval of an application for Credit Transfer or RPL.
- **1.2** Advice on possible credit may be provided to future students on request. Credit will not be awarded until the student has officially enrolled in the program.
- **1.3** Requests for the removal of module credit may be granted where relevant.
- **1.4** If a student transfers from one Eynesbury College program to another, where applicable, modules passed for the original program will be transferred to the new one.

#### 2 Recognition of prior learning

- **2.1** RPL is consistent with the concept of competency based training in that the emphasis is upon the learner and their current knowledge and skills or competencies, not on how the learning took place.
- **2.2** RPL offers applicants the opportunity to gain formal recognition for knowledge and skills gained through informal and formal training and on the job experience.

#### 3 Mutual recognition

**3.1** Eynesbury College recognises qualifications and Statements of Attainment issued by Registered Training Organisations (RTOs).

#### 4 Credit transfer

**4.1** Applications for credit must be based on prior study at a recognised tertiary education provider. Credit transfer is granted only where the prior study is assessed as equivalent to the level to the module (or modules) for which credit is being sought.

#### 4.2 Specified credit

**4.2.1** Specific credit is the recognition of previously completed studies that is directly equivalent to a unit of study at Eynesbury College and where there is equivalence to at least 80% of the curriculum.

**4.2.2** Unspecified credit is granted when previously completed studies have no equivalent Eynesbury College unit of study. Unspecified credit may only be granted as credit towards electives. A maximum of two modules of unspecified credit may be granted within a program.

#### 5 Applications for credit

- **5.1** Applications must be made on the appropriate form and be accompanied by an original certified copy of documentary evidence supporting the application.
- **5.2** Applications for credit may be lodged at any time prior to enrolment and up to two weeks after the start of the program. Later applications may be considered at the discretion of the Academic Director.

#### 6 Notification

**6.1** Students will be notified of the outcome of the credit transfer request.

#### 7 Fees

- **7.1** There are no fees associated with applying for module credit.
- **7.2** A student who has paid for a module which is subsequently credited may apply for a refund as per the **Fee Refund Policy.**

#### 8 Module duration – international students

**8.1** Details relating to Confirmation of Enrolment (CoE) where credit has been granted after a student has arrived in the country can be found in the **Student Load Monitoring Policy**.

#### 9 Student records

**9.1** Documents related to credit transfer will be retained in accordance with the **Navitas Records Management, Retention and Disposal Policy**.

#### 10 Appeals

**10.1** An applicant who is dissatisfied with the decision with respect to RPL or credit may refer to the **Student Grievances and Appeals Policy and Procedure**.
